# THE HOT COP GOES TO THE RACE

**Sonder Races Ended—Detroit Gains on Athletics—Nutmeg Stake Goes to George Gano—Sonoma Girl Wins Free for All Trot.**

Marblehead, Mass., Sept. 7.—As a result of the final race of the German-American sonderklasse series today, the President Taft cup was won by the Joyette, owned by Commodore Charles C. Benson, Jr., of the Benson Yacht club of Brooklyn.

The Governor Draper cup goes to the Ellen, owned by Charles P. Curtis, of the Eastern Yacht club. Each yacht had won two of the series in which the Germans were competitors, while the Joyette, the survivor of the challenging yachts, was eliminated through her defeat yesterday.

Joyette Wins on Windward Work.

Today's race was a slashing one, in which the Joyette proved to be so much the superior on windward work that the better qualities of the Ellen on dead-end and runs were not powerful enough to permit her to cross the line in first place.

In the final leg of the course, a spinaker run back to the finish line, the Ellen picked up amazingly on the Joyette, but the latter retained her lead and crossed the line 21 seconds ahead of the Ellen.

President to Present the Cup.

On Thursday at 12.30 p. m., the crowd of the three German and three American yachts, together with the special committee and officers of the Eastern Yacht club, will go aboard the Governor Draper yacht, the Charles C. Benson, Jr., to present the President Taft cup to the Joyette.

**Pirates Too Strong for Cubs.**  
Pittsburgh, Sept. 7.—Pittsburgh and Chicago are now even in terms in the series of games started in Chicago when the locals winning today by a score of 6 to 2. The remaining game of the series will be played tomorrow.

The visitors used three of their best batters today in a vain effort to check the batting streak of the home team. Maddox was strong throughout. Only one Chicago player got past first base after the second inning.

Abstein's home run in the second inning was the subject of an argument in which all the Chicago players took part. Tinker and Chance finally being ordered from the field by Umpire Klein. The ball hit into the left field bleachers and bounded out to the other bases, the rule being that when a ball is knocked out of the field, as was the case today, the batter is entitled to a home run.

**Sapphire Stakes Went to Pretend.**  
Sheephead, N. Y., Sept. 7.—Pretend at 5 to 1 easily won the Sapphire selling stakes, five and a half furlongs, the feature of the card here today. He had to be the best to win, as he was carried very close on the stretch turn. However, Dugan drew his whip and the colt, responding promptly, caught the leaders and won by three lengths, with Billard Ball second and Little King third.

**Cobb Charged With Murderous Assault.**  
Cleveland, Sept. 7.—A warrant charging Ty Cobb, right fielder of the Detroit Tigers, with a murderous assault on a woman, was issued today by a judge in that city.

**VIOLENT DECLINE IN PRICES.**  
Harriman's Release Again Shatters the Stock Market.

New York, Sept. 7.—E. H. Harriman's release again sent a shiver through the world's security markets today and broke a wave of hope in the New York stock market. The violence of the decline in prices here was much aggravated by the fact that rumors were current before the market opened that the financier had actually fessed away. These reports were circulated both in London and New York. Harriman's official associates that he believed he was better off after an attack of influenza. The official announcement on the subject, after last week's assurances that changes would be reported to the press, left the market in a state of nervous and depressed in spite of the light weight of actual selling orders that had to be taken care of. It was a fact that selling was not notably large even on the demoralized opening barge in prices. The demand was too cautious, however, to support prices effectively even against the comparatively scanty selling. The bears were timid about making short sales, having in mind their severe experience on Monday last week, in pointing out the number of times that reports of Mr. Harriman's danger and even of his actual death have figured in the recent stock market speculation, the question was advanced whether much was left in the way of effect on prices of such news. It was considered certain, also, in view of the vast interests at stake and the other business procedure that would be usual in such contingencies, that any precautions had been taken already to meet a sudden emergency, both in the administrative and financial aspects of the situation. The more sensitive organization of the speculative markets. The action of the market today gave sufficient testimony to the measure taken to support prices and to resist the decline in its precipitate stages. The week closing at the low price of the day was accompanied by reiterated bulletins affirming the low vitality of Mr. Harriman and the great anxiety felt by his family and friends. The week and feverish closing of the stock market showed the lack of any definite settlement of its views on the problem confronting it. Bonds were steady. Total sales, par value, \$2,254,000. United States bonds were unchanged on call.
